Orphan Lake Trail Highlights: scenic lookouts, beach on Lake Superior, Baldhead River, waterfalls, spring wildflowers and fall colours; joins with the Coastal Trail

This diverse trail passes through hardwood and evergreen forests, including an area burned in May 1998. Near the end of the burn there is a side trail (linear), climbing to spectacular lookouts over Lake Superior.

A pebble beach on Lake Superior marks the half-way point, where there is a junction with the Coastal Trail. To complete the Orphan Lake Trail, follow the Baldhead River upstream, past the waterfalls. The trail then climbs to the east shore of Orphan Lake before joining with the trail back to the trailhead.
